Dear Parent(s)/Guardian(s):

Thank you for your interest in Centennial School District No. 12. Students from another district may attend the district through one of two agreements:

- ❖ A non-resident agreement is an approval for a student to attend for the remainder of a school year and/or entire school year; typically due to a mid-year move out of the Centennial School District or by missing the January 15 open enrollment deadline.
  - ▶ Short term non-resident approval
  - ▶ Apply anytime
  - ▶ Applicants are usually notified of the committee's decision within 30 days upon receipt of application
  
- ❖ An open enrollment agreement is an approval for a student to attend through graduation.
  - ▶ On-going non-resident approval
  - ▶ Applications need to be received in the Centennial School District Office by January 15 prior to the year their child/children would like to attend
  - ▶ Applicants are notified of the committee's decision by February 15
  - ▶ Approval allows the student to attend through their high school graduation without any further non-resident paperwork required in accordance with Minnesota statute 124D.03.

It is the parent(s)/guardian(s) responsibility to transport the child/children to and from Centennial's district border (the nearest bus stop), or if chosen, to and from the school the child/children are attending. Upon approval of non-resident enrollment, parent(s)/guardian(s) may contact the Transportation Office at 612-789-5143 regarding a bus stop in the Centennial School District nearest your home/daycare.

If you need further assistance or have any questions, please do not hesitate to contact me at (763)792-6006.

Respectfully,

Margaret Boyd
