

Privacy Act Statement / How Information Is Used

The National School Lunch Act requires that the household member signing the application must provide the last four digits of their Social Security Number unless an active Minnesota Family Investment Program (MFIP), Food Support (SNAP) or Food Distribution Program on Indian Reservations (FDPIR) assistance number is supplied for your child, or you are applying for a foster child, or you do not have a Social Security number. Provision of a Social Security number is not mandatory, but if a Social Security number is not given or an indication is not made that the signer does not have such a number, the application cannot be approved.

We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

At public school districts, each student's eligibility status is also recorded on a statewide computer system used to report student data to the Minnesota Department of Education as required by state law. The Minnesota Department of Education uses this information to: (1) administer state and federal programs; (2) calculate compensatory revenue for public schools; and, (3) judge the quality of the state's educational program.

Sharing Information with MinnesotaCare and General Assistance Medical Care Programs

Children who are eligible for free and reduced-price school meals may be eligible for Minnesota health insurance programs. Your child's eligibility status for school meals (qualified for free or reduced-price meals) may be shared with the MinnesotaCare and General Assistance Medical Care programs unless you tell us not to share your information by checking the boxes in section 5 of the application. You are not required to share information for this purpose and your decision will not affect approval for school meal benefits.
